25X1

KEY TO FACILITY ANNOTATIONS

- A. Two bay probable construction hall (measures approximately 235 by 170 feet).
The construction bays of this structure are in line with the four main building ways although the ways presently are not long enough to reach the construction hall.
- B. Single story probable support building (measures approximately 180 by 45 feet).

NOTE: All measurements have been made by the CIA/IAD project analyst.
